

# The Biblical View of Abortion

I. Humans have inherent dignity as those who image God so that we have no right to \_\_\_\_\_ another person.

II. A person becomes a human life at \_\_\_\_\_.

A. Exodus 21:22-25 shows us that God values an \_\_\_\_\_ baby just as much as any other life.

B. Psalm 139:13-16 shows us that God creates each and every \_\_\_\_\_ so that there are no accidents.

C. Jeremiah 1:5 shows us that God creates each person for a \_\_\_\_\_.

D. Job 31:13-15 shows us that every person is created with the same inherent dignity as those who image God.

E. Luke 1:15 and Luke 1:39-45 show that personhood exists for babies in the \_\_\_\_\_.

F. Personhood begins at conception because an embryo doesn't become something new from the time before it is implanted until after it implants.

III. Abortion is \_\_\_\_\_ acceptable unless there is a 0% chance that a child can develop and survive.

IV. Do not have \_\_\_\_\_ and do not advocate for abortions or support those who advocate for abortion.

V. Support those who are struggling with having an unwanted or difficult \_\_\_\_\_ and those who have had \_\_\_\_\_.
